Dear Friends and Colleagues:

With more than 1.7 million New Jersey citizens engaged in volunteerism annually, community spirit is thriving. In order to learn how volunteers can play a greater role and effectively address key concerns facing our state, we are conducting a New Jersey Community Survey on Volunteerism as part of our year-long "Volunteer NJ" commitment.

We are asking for your participation in two ways:

* First, please view the survey by CLICKING HERE
<<http://www.surveymonkey.com/s.asp?u=211363087137>> . You may respond either as an individual volunteer or as a representative of an organization or business that utilizes volunteers.

* Second, please forward this email to others who are involved or interested in volunteer service and ask them to participate as well.

This survey has been developed by the Governor's Advisory Council on Volunteerism and Community Service. The information you provide will enable the Governor's Office of Volunteerism and the thousands of agencies and individuals participating in community service to maximize their efforts to empower and improve our communities.

For more information on volunteerism and community service, please visit our exciting new website at <http://www.state.nj.us/state/volunteer/> or call Rowena Madden or Sabrina Nelson, Governor's Office of Volunteerism, (609)-984-3470. You may also copy the survey link into your web browser: <http://www.surveymonkey.com/s.asp?u=211363087137>.

Thank you for making New Jersey's Volunteerism more robust than ever.
